A MESSAGE FROM OUR PASTOR

Olive oil was most serviceable in the Mideast in Jesus' day, as it continues to be in the present. It is used for cooking and baking, as a base for perfumes, and as a healing agent. When Our Lord told his disciples to journey forth healing and preaching repentance, he instructed them to anoint the sick with oil.

Brother Andre Bessette of Montreal also had the power to heal, and often exercised this power by rubbing the disabled with olive oil. Andre was a modern miracle man, born 1845, died 1937. He was a member of a large and poor Quebec family. When he was old enough to work, he became a laboring man. In fact, he spent three years in Connecticut, working on a farm or in mills. Then in 1866, he returned to Canada for admission into the Congregation of the Holy Cross. His aim was not to become a Priest, but a lay-brother in vows.

The calling of lay-brother is a humble one, but Brother Andre became notable in spite of himself. He had great devotion to St. Joseph; and he spent his whole religious life spreading that devotion and building the great basilica of St. Joseph that towers above Montreal. Meanwhile, he was daily increasing in holiness of life. Thousands of pilgrims came not only to honor St. Joseph, but to consult with The Brother, and he was always at the disposal of those in need. Countless Miracles were worked through his prayers. He would usually tell the sick to rub the diseased part with a medal of St. Joseph or with St. Joseph's oil (an olive oil blessed for the purpose). As he once explained "It takes faith to rub oneself with a medal or with oil." St. Joseph was obviously honoring that faith; but the fact remains that it was the little Brother who was St. Joseph's agent. That is one reason why Pope Saint John Paul II proclaimed Brother Andre "Blessed" on May 23, 1982, and Pope Benedict XVI canonized him a Saint in St. Peter Square on October 17, 2010. As in Christ's day, oil was the symbol, but faith was the real medicine. "They anointed the sick with oil and worked many cures." (Mark 6:13)

The Reverend Edward J. Smith, Pastor

50TH ANNIVERSARY OF HUMANAЕ VITAE

Humanae Vitae--Proclaiming God's gifts of love and life to husband and wife. The papal encyclical, *Humanae vitae* (HV) written by Blessed Pope Paul VI in 1968, provides beautiful and clear teaching about God's plan for married love and the transmission of life. **Visit www.usccb.org**, under Marriage and Family, to help you deepen your understanding of these teachings. **July 25, 2018 marks the 50th anniversary of *Humanae vitae*.**

20. "The teaching of the Church regarding the proper regulation of birth is a promulgation of the law of God Himself. And yet there is no doubt that to many it will appear not merely difficult but even impossible to observe. Now it is true that like all good things which are outstanding for their nobility and for the benefits which they confer on men, so this law demands from individual men and women, from families and from human society, a resolute purpose and great endurance. Indeed it cannot be observed unless God comes to their help with the grace by which the goodwill of men is sustained and strengthened. But to those who consider this matter diligently it will indeed be evident that this endurance enhances man's dignity and confers benefits on human society."

As the weather changes, so does our clothing. Please dress appropriately for Mass and all Parish functions and events.
